

Smart City World Expo & Congress, Barcelona

TeamNL Program

TeamNL will once again be present in Barcelona for this year's edition of Smart City World Expo & Congress. Please visit us at the TeamNL pavilion in hall 3 during the three days of the fair. On Monday, you are kindly invited to join us for the Smart City Business Day.

During the fair, we will welcome various foreign delegations at the TeamNL Pavilion, and we will visit other pavilions, with a focus on specific regions or topics. The most up-to-date schedule will be available every day at ourselves TeamNL pavilion.

Do you have any questions about the program? Please contact Esther Schoemaker via esther.schoemaker@minienw.nl.
